

# Performance Measure Discussion Topics

- Aligning targets with TZD/zero goals
- MIRE data
- Coordinating targets
  - MPOs
  - HSIP/HSP
- How many states have county engineers?
- How many have both FHWA- and NHTSA-funded programs in the same agency?
- How many have the engineering safety in the DOT and the enforcement safety in Public Safety?
  - How is that relationship?
  - Do you have an agreement between the agencies, like an MOU?

- Follow up items
  - Additional resource needs?
  - Subcommittee initiatives?
  - Research needs?
